

CERTIFICATE OF FACTORY PRODUCTION CONTROL (FPC)
1070 - CPD - 119

In compliance with 'Council Directive of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (89/106/EEC)' (Construction Products Directive - CPD), as amended by Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Strength graded structural timber with rectangular cross section

Visually graded after INSTA 142 and machine graded by
Dynagrade Model 1b, Serial No.: 316 in dry grading facility
in strength classes including C30.

Wood species Norway spruce (*Picea abies*) and Scots pine (*Pinus sylvestris*)

placed on the market by

Eidskog Stangeskovene AS
NO-2230 Stangeskovene
Norway

and produced in the factory

Eidskog Stangeskovene AS
NO-2230 Stangeskovene

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan, and that the notified body No. 1070 - Norsk Treteknisk Institutt - has performed the initial inspection of the factory and of the factory production control, and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

NS-EN 14081-1: 2006

were applied.

This certificate was first issued on 2008-05-31 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
